

K-Love is the only non-commercial Christian Radio station that can be heard in my community and surrounding area for several miles. It provides safe, family friendly programming. There are thousands of people in our community including several business who listen to nothing other than K-LOVE because of its programming. It is without a doubt in the public interest to keep this wholesome, safe, encouraging, programming in our area. Without the rebroadcast of 107.1, 100.9 and 92.9 on the air we would be unable to listen and enjoy the uplifting, encouraging message that K-LOVE brings to the world.
